**As we prepare for the playoffs, it is time to review the Man Laws of fantasy sports...**

**The unwritten laws of man  
dates back to 1145 a.d.**

**There's no crying in fantasy football.**

**No beer should be wasted in pursuit of the  
perfect team on draft day.**

**Thou shalt not start 4 wide receivers  
unless to fill the gaps created with bye  
weeks or injuries.**

**During a losing streak a fantasy team shall  
endure whatever merciless taunts the  
other owners dish out.**

**Regardless of a teams losing streak, the first win is always something to celebrate.**

**There are no “would of”, “could of”, and “should of” in fantasy football.**
