Widowmaker Posts Note

“Dear Everyone,

“I honestly have my entire team up for trade. Anybody is available. I only am interested in REALLY LOW priced keepers (unless YOU are dumping and want any of MY players)

Sincerely, (signed Hennings)”

“P.S. Getcha trades ready”

He's Back

Vinny Testaverde became the oldest starting quarterback to win a game in NFL history, and the third-oldest to start one.

Who needs Preseason?

Testaverde arrived in Charlotte about 10 minutes before practice on Wednesday, introduced himself to his new teammates and began learning the offense.

It's Not The Mirrors

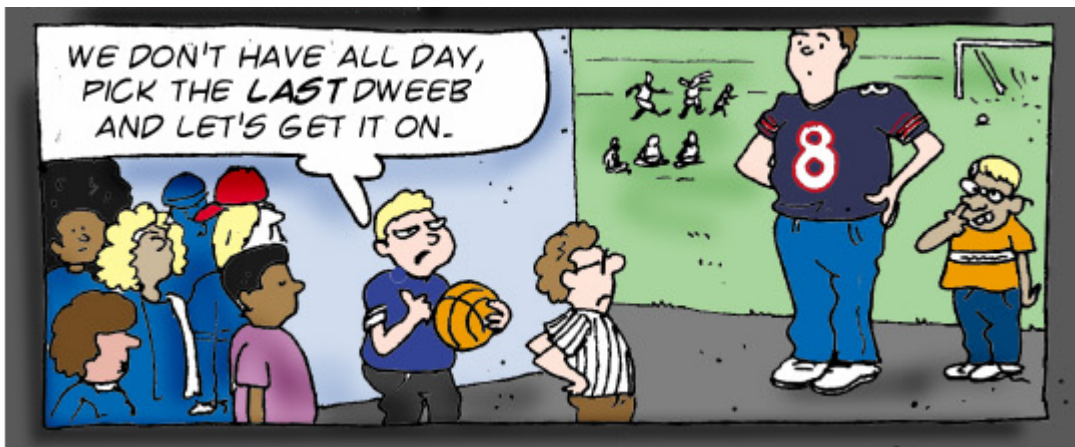

Just consider these feats that Adrian Peterson accomplished Sunday:

- 1) Two of his three touchdowns came on runs of 65 yards or longer, which makes him just the fourth player in NFL history to do that (joining Detroit's Barry Sanders, Pittsburgh's John Fuqua and Baltimore's Lenny Moore).
- 2) His 361 all-purpose yards were the 3rd highest produced by a rookie in NFL history.
- 3) His 224 rushing yards were a Vikings team record and the most ever gained against the vaulted Chicago Bears defense.
- 4) That rushing total also gave him a league-leading 607 yards on the season. Only one player -- Eric Dickerson -- has gained more yards in the first five games of his career.
